August 10, 2015

Dear Anacapa Friend:

On behalf of Anacapa School, we invite you to become a sponsor of our **4th Annual Grape Stomp** and the exciting launch of the **Barney Berglund Memorial Ride** to honor our beloved alum dad and board member, who was an avid cyclist. This event is the major source of funding for Anacapa's Barney Berglund Scholarship Fund. Net proceeds support a six-year full scholarship based on both merit and financial need. Last year we raised \$25,000, and our ambitious goal for this year is to double that amount to raise \$50,000!

We are delighted that Eli Parker and the Fess Parker Winery have offered to host and support this event once again, and we hope you'll be a part of it, too! This year's event will be held on **Sunday, October 11, 2015**, at the **Fess Parker Winery** in Santa Ynez Valley. The Barney Berglund Memorial Rides will start at 8:30 am and the Grape Stomp will take place afterward, from noon until 3:00 pm.

In addition to becoming a sponsor, we hope you will join us for this lively day of great food, wine and family fun and possibly build up your appetite on one of the optional morning bike rides! Pick one of two bike routes, depending on your experience and ability, or just come enjoy live music, have fun playing horseshoes and bocce, tour the winery, stomp some grapes, and savor a delicious lunch served under the magnificent oaks on the grounds of the winery. There will also be a raffle with wonderful prizes and an information table about Anacapa School.

Please see the following page for sponsorship levels and send your donation marked "Grape Stomp/Barney Berglund Memorial Ride" to Anacapa School at 814 Santa Barbara Street, Santa Barbara, CA 93101 or go to www.anacapaschool.org and click on Grape Stomp/Barney Berglund Memorial Ride and sponsorship information. If you would like more information about this event, please call Susannah at (805) 965-0228. Sponsors who make their donation prior to September 15 will be acknowledged in the print materials for the event.

Anacapa School is an independent college preparatory school for grades 7-12 with a 34-year history of providing students with a superior education that combines academic and experiential learning, develops critical thinking skills, values personal integrity, and fosters compassion. Located in downtown Santa Barbara, Anacapa develops the full potential of students through rigorous academics in small classes taught by dedicated teachers. We are proud that 100% of Anacapa graduates are accepted to college.

We hope that you will consider sponsoring this event. Anacapa students go on to become an integral part of the greater Santa Barbara community, so supporting them today is an investment in our shared future.
